Bible Study #12

Patience (Perseverance)

How often do we find ourselves, during times of trials, asking God for “patience-and please hurry!” The word “patience” means “long-tempered”. It is the opposite of having what is known as a “short-fuse”. Patience is the ability to control oneself. It indicates perseverance, endurance, steadfastness, and long-suffering. Patience is that calm and unruffled temper with which the good man hears the evils of life, whether they proceed from persons or things.

Begin memorizing James 1:4 (NKJV)

“But let patience have its perfect work, that you may be perfect and complete, lacking nothing.”

Men may tempt and provoke God, yet He displays incredible patience towards man. Many Bible commentators believe that God waited for men to repent of their wickedness for 120 years while Noah was building the ark.
